INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. I am 54 years of age; was born in Pickens County, Ga.; have spent my life in Pickens and Cherokee Counties, Ga. I claim Cherokee Indian blood through my mother. She first told me of my Indian blood. All I remember is that she said we had Indian blood. She never received any Indian money. About ten years ago I think she made application in the Territory but never heard anything from it. My mother was a recognized white woman. I do not know why she did not receive money in 1852. In 1882 I lived in Pickens County but do not recollect hearing of a man named Hester, enrolling agent in 1882. My grandmother Mary Lovelace was the Indian. I do not remember her.

App. No. 9144 January 15, 1908.

Will Da-jule-si-ne,

South West City, Missouri.

Sir:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your father, Te-le-Da-jule-si-ne, who you state lived in Delaware District in 1851; you also state that he was enrolled at that time with the Eastern Cherokees. We are unable to find that name on the Eastern Cherokee roll; if he wasenrolled at that time, as you state, he must have used some name other than the one given in your application; did he have any other name than the one given: Was he enrolled with his parents at that time? Give the names of his parents, both English and Indian; under which were they enrolled in 1851. Where were they living in 1855; were they enrolled with the Cherokees at that time?

Were any of your people ever enrolled as Old Settlers?

In answering these questions, have someone other than the man who filled out your application do your writing , as it is very difficult to read.

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

Except my mother or grand-mother on my mother side and grandfather on my father side together with my brothers or sisters' name are already appears on the roll as you will find [redacted] application number 9146. now. Commissioner and gentlemen in the office of Indian Affairs Washington D.C. do hereby give my position statement after careful tracing up to the time when the Emigrants roll was taken in 1851 and I firmly believe there is nothing else than that were emigrated to this Country when the eastern Cherokees were removed from the east, as they all were living at the time when the party emigrated to the Western Country enrollment was taken. and I hope the statement in this case, will be greatly relief in in tracing up the names those whose names may appears on the roll — and I hope the Commissioner of the Indian office will look over and see if the statement relative to this is correct or not. and I hope upon as Commissioner duly Commissioned as such I will make an effort to get an opportunity to make investigation according to my application. and the Commissioner and the gentleman in the office thereof, will Convince that the original application No 9146 in the name Syntha Bird. was mistake But should be Syntha Turkey Packing — Reach to a conclusion in furnishing evidence. let me hear from you at an early date so that I may know as to whether the statement is correct or not, with kind regard, I remain.

Sam T. Fields,

Campbell, Oklahoma.

Sir:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your grandparents who you state lived in the Cherokee Nation in 1851; if they were enrolled with the Eastern Cherokees at that time, give their names as they were enrolled. Was your grandfather, James Mackey, a Cherokee? Were he and your grandmother, Louisa, enrolled together in 1851? Was your grandfather, John McFarren, a Cherokee? Was your grandmother, Elizabeth, married more than once? Was she married to a Fields before she married McFarren? If so, what was his name? State if he was enrolled with the Eastern Cherokees in 1851.

Were your grandparents Old Settlers and did they share in any Old Settler payment?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

Special Commissioner.

In the matter of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, of May 28, 1906, the Court of Claims on April 29, 1907, entered a further order directing the distribution of this fund *per capita.*

Under this order all Eastern Cherokees by blood, who were living on May 28, 1906, who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to enrollment. Minor children are to be enrolled with their parents.

You have already filed application No. . . . 5506 . . . for your own share of this fund, but it does not show whether you have any minor children. If you had any minor children living on May 28, 1906, you should fill out the inclosed Supplemental Application, and together with two witnesses acknowledge the same before a Notary Public or other proper officer, and should mail said application to this Office immediately.

If you have already filed a separate application for your minor children you need not file this supplemental application.

Do not fail to put your own application number on the supplemental application.

If you have children of age who have not filed applications, they should apply at once to this Office for an application blank, which will be forwarded without charge.

You should address all letters on this subject to the Special Commissioner of the Court of Claims, 601 Ouray Building, Washington, D. C.

Very respectfully,

GUION MILLER,
Special Commissioner.

I have no children

George Baldridge,

Maple, Oklahoma.

Sir:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office why your father, Bluford Baldridge, was not enrolled with the Eastern Cherokees in 1851. You state in your application that you were born in 1850; if this is true, you should have been enrolled with the Eastern Cherokees in 1851; state why you were not so enrolled.

Was your father known by any other names than those named in your application?

Was your mother ever held as a slave? If so, was she owned by white people or Indians?

Any other information in regard to your ancestors will be appreciated.

Please give this matter prompt attention and refer in your replt to the number of your application.

Very respectfully,

App. No. 9173 January 16, 1908.

Nancy Greece,

Braggs, Oklahoma.

Madam:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your mother, Jah-gah-he, who you state lived somewhere near Tahlequah District, Indian Territory, in 1851; was she enrolled with the Eastern Cherokees at that time? If so, give the correct name used by her in enrollment, as the name given by you in your application fails to appear on that roll. What was her English name? If she was not enrolled in 1851, why not? Did your grandparents have any names other than Chal-le and Mike; if so, what were they? What names were used by them in enrollment in 1851?

Were any of your people Old Settlers and have they received any Old Settler money?

Have you ever been enrolled for land or other benefits? If so, state when and where.

Have you ever affiliated with any other tribe than the Cherokees? Did you ever live with the Creek Nation?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

HWH/WEA

Special Commissioner.

SUGGESTIONS

To be used in the re-examination of case #9173.

Ascertain what applicant's mother's given name was.

What was applicant's grandfather's sir name?

What were the names of applicant's brothers and sisters?

Refer to Tahlequah 98 and 100 in the examination of this case. See Betsy Tucker and Taw-you-ne-see.

App. No. 9173 .

Nancy Greece being first duly sworn through John Israel, interpreter, deposes and says:

Ja-gaw-hih was the name of my mother. She lived in Tahlequah District. I don't know the English name that my mother had. Never heard it. Char-lih or Charlie was my grandfather on my mother's side. I am about 38 years of age. My father was a Creek Indian. My mother's mother's name was Akey. I never got any land from the Creeks. I did not get any land through the Dawes Commission. I did not make application for anything. My mother drew money at one time from the Cherokees. I have been told this. Chah-lih lived up north of Tahlequah. I don't know in what district it was. My mother had a sister named Quait-sy or Betsy. My mother's brother was Charlie Tucker. Ben Tucker was the name of another brother that my mother had. Betsy Tucker was the name of my mother's sister and her brother was named Taw-you-nee-se (Charlie). Betsy was married after the war. (Interpreter states that he knew Betsy and Taw-you-nee-se and knew that they were the brothers of applicant's mother). (See Tah' 98 and 100).

App. No. 9174

January 18, 1908.

William Glass,

Hulbert, Oklahoma.

Sir:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your father and your mother, Louis and Margaret Glass; their names, as given in your application, as well as the Indian names given, fail to appear on the Eastern Cherokee Roll of 1851; if they were enrolled at that time, as you state, they must have used names other than these. Were they known by any other names? Who were enrolled with them at that time? Was your mother enrolled with your father or with your grandparents?

Were any of your ancestors Old Settlers and did they ever share in any Old Settler payment?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

Special Commissioner.

Sir:

William Glass appeared before you and made affidavit to an Eastern Cherokee Application, and, since then, efforts have been made to reach him by mail at both Hulbert and Locust Grove, both of which postoffice addresses have been given in his application. However, letters to these addresses have been returned unclaimed, and you are urged to forward the enclosed letter to him and that he make immediate reply, as we are anxious to dispose of this case. All changes in address on behalf of the claimants should be reported at once to this Office.

The enclosed envelope requires no stamp, and, if possible, you are requested to communicate with this Office regarding this party's present whereabouts, referring in your reply to WM-9174-316.

Eliza Mayberry et al.,

vs. No. 78.

Cherokee Nation.

Mr. N. A. Gibson, Special Master to whom this case was referred, submits the following report:

IN THE UNITED STATES COURT IN THE INDIAN TERRITORY,
NORTHERN DISTRICT, AT MUSKOGEE.

Eliza Mayberry et al.,
vs. No. 78. Special Master's Report.
The Cherokee Nation.

I, N. A. Gibson, Special Master herein under the order of the Court heretofore made, show to the Court that under said order I have examined the pleadings and proof herein, which are herewith filed and made a part hereof and that I find as follows:

I

That this cause was filed on the 8th day of September, 1896, on which day application was made to the Commission to the Five Civilized Tribes for citizenship by blood in the Cherokee Nation of Indians, that the said cause was tried by said Commission on the 23rd day of October, 1896, and the application denied, no reasons being given for the said decision, and that from this decision the applicants appealed to this Court on December 21, 1897.

II

That this application was made by Eliza Mayberry, Newton J. Eddings, Amanda E. Lewis, Rosa C. Blankenship, Harvey A. Mayberry, John W. Blackburn, John W. Blackburn, Jr., Andrew A. Blackburn, Emma Shoemaker, Leveny Lovelace, Ophelia Curry, John R. Middleton, Charles C. Middleton, Andrew S. Eddings, Susan C. Foster, Thomas E. Foster, John W. Foster, William F. Foster, Sarah J. Owen, Jane Brown, Mary F. Edwards, Dell Owen, Pleasant F. Blackburn, William J. Blackburn, Andrew E. Blackburn, Sarah H. Jourdan and Mary Hoard and her three children, all of whom are the great-grandchildren and great-great-grandchildren of Dave Weaver, who lived among the Eastern Cherokees in what is now the state of Georgia and who is claimed to have been a Cherokee Indian by blood and a recognized member of the Cherokee Nation.

III

That the parties filed in support of their application the affidavits Andrew E. Blackburn, W. J. Blackburn, Thomas J. Taylor, Richard D. Eddings, James B. Eddings, C. R. Harris, John F. Eddings, Samuel P. Hill, Joseph Allsup, Andrew S. Eddings and John Ross, and a certified extract from the Roll of the Cherokee Nation taken in the year 1835, showing that Dave Weaver, his six boys and one girl were enrolled as Cherokees, and that he lived in Cherokee county, Georgia, near Sharp Mountain creek. That the proof shows that Dave Weaver had a daughter by the name of Elizabeth who married a man by the name of Eddings, and that she had a daughter by the name of Frances who married a man by the name of Blackburn, and who was the mother of Eliza L. Mayberry, the principal claimant herein, whose maiden name was Blackburn. That these claimants are residents of the Cherokee Nation, Indian Territory, where they have resided for the past eight years.

IV

The claimants contend that under the showing made by them that Dave Weaver's name appears upon the roll of the Cherokee Nation for the year 1835, they now being residents of the Cherokee Nation, they are entitled to be admitted to citizenship in the Cherokee Nation as citizens by blood, while the Cherokee Nation contends that Dave Weaver's name does not appear upon the Roll of the Cherokee Nation since the removal West to the present location, and that hence under the law applicable to cases of this nature these claimants are not entitled to be admitted to the Cherokee Nation as citizens thereof.

The premises considered, I find that these claimants are the descendants of Dave Weaver, whose name appears upon the Roll of the Cherokee Nation for the year 1835, that the proof does not show that the said Dave Weaver ever came to the present Cherokee Nation, or was enrolled here as a member thereof, that these claimants are persons of Cherokee Indian blood and descent, and that they are now residents of the Cherokee Nation, Indian Territory.

I respectfully ask that the court will allow me a reasonable fee for my services herein as Special Master.

Respectfully submitted this____day of_____,1897.

App. No. 9189

January 16, 1908.

Lizzie McKay,

Kelvin, Oklahoma.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office as to the exact date of your birth.

You claim a right to share in the distribution of this fund through your father, Tee-squ-nall, and your mother, Darkey. You also state that they were enrolled in Tahlequah District in 1851 with the Eastern Cherokees. We are unable to find their name as given in your application on that roll. It is impossible to read the names given of your grandparents. It is absolutely necessary that you aid us in making disposition of your claim by furnishing us with the names of your grandparents, both English and Indian. Give the names under which they were enrolled in 1851.

Do you claim Cherokee blood through both your father and your mother? Give the names of your aunts and uncles who were enrolled in 1851 with the Eastern Cherokees.

Were any of your ancestors enrolled as Old Settlers?

Was your mother ever held as a slave? If so, was she owned by white people or Indians?

In answering this letter, get a different person to do your writing from the one who filled out your application, as it is very difficult to read.

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

Special Commissioner.

Nancy Wood Kiper, after being first duly sworn, deposes and says:

I am 56 years of age; was born in Grayson County, Ky. I claim Cherokee Indian blood through my mother. My father and mother died a good many years ago and I do not know the date of their marriage. They were married in North Carolina. My mother was born in North Carolina but do not know what part. She never got any Indian money from the government and I have never gotten any. I have never tried to get any Indian money before this time. I never tried for an allotment before the Dawes Commission. My mother was married in North Carolina and moved from there to Tennessee near Lebanon and then moved to Kentucky. I am the youngest of nine children. I think four children were born before my mother and father moved to Tennessee from North Carolina. I do not remember whether my mother spoke the Indian language but she claimed the Indian blood. She died since I was married. I do not speak the Indian language. Everybody called my mother an Indian but she passed as a white woman. We went to the white schools. I never saw my mother's parents. I suppose they lived in North Carolina. I first heard of my Indian blood when I was first married. My mother told my husband then that he had married an Indian. Of course I knew all my life from what my mother had said that I was Indian. I do not know why my mother and myself did not share in the payment to the Cherokees in 1852. My grandfather, Reuben Coe was the Indian.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office as to the names under which your father and your mother were enrolled with the Eastern Cherokees in 1851, as the names given in your application fail to appear on any Eastern Cherokee enrollment. Were they enrolled together in 1851? Give the names of your family who were enrolled with them at that time.

Do you claim Eastern Cherokee blood through both your father and your mother?

Were any of your people Old Settlers, and did they ever share in any Old Settler payment?

Was your mother or were any of your people ever held as slaves? If so, were they owned by white people or Indians?

Please give this matter prompt attention and refer in your reply to the number of your application.

Delphia A. McAnally, after being first duly sworn, deposes and says:

I am 58 years of age. I have not been alotted land by the Dawes Commission and have never gotten any Indian money from the government. They called us intruders. I claim my Indian blood through my mother. She was born in Claborne County, Tenn. I was born in Claiborne County, Tenn. I left there in 1877. I claim to be one-fourth Indian. My fore parents instead of being brought here went back to Tenn. to keep from coming here. I mean my grandmother by my foreparents. Ten years before the war I lived in Tenn. I have seen my grandmother who was the Indian. She was born in North Carloina and moved from North Carolina to Tenn. She came from North Carlolina with my great-grandmother. They claim my grandmother was a full blood. She did not talk the Indian language. I do not know why my mother did not get Immigrant money in 1852. She never came West. I put in a claim before the Dawes Commission for land but never got any.

App. No. 9195

January 17, 1908.

Delphia A. McAnally,

Ketchum, Oklahoma.

Madam:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your mother, Malinda J. West, nee Posey, who you state lived in Clayborn County, Tennessee, in 1851. Was she married at that time? Her name fails to appear on the Eastern Cherokee Roll made in 1851; do you know why she was not enrolled? Your grandmather, Susan Posey, who you also state was a full-blood Indian, was not enrolled in 1851 or in 1835; do you know why she was never enrolled with the Eastern Cherokees? Did she or any of your ancestors ever affiliate with any other Indians?

Were you or any of your people ever held as slaves; if so, were you owned by white people or Indians?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

Special Commissioner.

Dear Sir:-

We enclose herewith four Cherokee claim blanks, all claimants being entitled to a share in the fund for distribution through descent from Susannah Chavers (or Chavis). The applicants were doubtful as to the spelling of this name and there may also be other discrepancies in the applications due to the ignorance of the claimants, but there is no question about their Cherokee descent. If they are entitled to anything please send it direct to them.

Yours truly,
Craig, Martin & Winston

P. S. The pronounciation of the above mentioned name was such that it seemed that it ought to be spelled"Chavers ."

Madam:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your father, William Burns, or Weelie Dor-leh-yah-sur, and your mother, Sally. These names fail to appear on the Eastern Cherokee Roll of 1851, neither do we find the names given in your application of your grandparents on any Eastern Cherokee Enrollment. It is necessary that you furnish us with additional information in regard to your people. Give all the names used by your parents, particularly those used by them in Eastern Cherokee Enrollment of 1851.

Were any of your people Old Settlers or slaves; if slaves, were they owned by white people or Indians?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

Special Commissioner.

Sir;

In answer to yours of January 17,1908, I answer your reque st for additional information,as follows;

My father served as a soldier during the late Civil War under the name of William Oo_gar_si_no_te,in Co. G,Ind. Vol.H.G.

It seems that he was never known by this name until the war came up.He came from the old Cherokee Nation,in 1838 I think.I have been told that he was then known as William Doo_leh_yuh_sah,or it might just be Too_leh_yuh_sah,or Doo_leh_yuh_sah,which means was burned,scalded. He died about 1878 and was quite an old man then.

My mothers Cherokee name was York_se,instead of Sally. I dont know the names of her parents at all. My mother and father were not married until after the war above referred to.This about the best I can do now.

Yours Respectfully,

Jennie Carey.

No. 9206 Misc.

Mary Campbell, after being first duly sworn, deposes and says:

I am 31 years of age; was born in Union County, Ga. I claim Indian blood through my mother. She has not made application to participate in this fund. Her husband was opposed to it. My mother never got any Indian money from the government. My brothers and sisters did not apply. I have seen my grandparents. My grandfather, My Woody was the Indian. He lives at Marble. He did not put in application for this money as he said it was foolishness.

Mary Campbell,

Nantahala, North Carolina.

Madam:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your mother, Nancy Head, nee Woody, whose name fails to appear on any Eastern Cherokee Roll. It will be impossible to connect you with the Cherokees without additional information in regard to your ancestors. Where did your mother reside in 1851? You state that she is now living. Do you know whether or not she has made application for participation in this fund; if so, give the name used by her or give her present name.

Do you know why your grandparents, Ky and Mary Woody, were not enrolled with the Eastern Cherokees in 1835 or in 1851?

Were any of your people, particularly your mother, ever held as slaves? If so, were they owned by white people or Indians?

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,

Special Commissioner.

In the matter of the application which you have filed for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please state whether or not you were enrolled by the Dawes Commission. If so, under what name and number were you enrolled?

This information is important and you are requested to answer this letter immediately and refer in your reply to MLS, #9211.

Madam:

You claim a right to share in the distribution of the Eastern Cherokee Fund through both your father and your mother, who you state were Cherokees and enrolled with that tribe in 1851. Give the correct names used by them in enrollment at that time. The names Dave Bullfrog and Da-ni-ka-noo-noo and Ga-tal-sta fail to appear on any Eastern Cherokee Enrollment.

Name all your ancestors again who were enrolled in 1851 with the Eastern Cherokees.

Were any of your people ever enrolled as Old Settlers or share in any Old Settler payment?

Please give this matter prompt attention and refer in your reply to the number of your application; you are further requested to have some one other than the person who made out your application to do your writing for you, as it is difficult to read.

Very respectfully,

Special Commissioner.

Madam:

Relative to your application for participation in the Eastern Cherokee Fund, it is impossible to find the names as given in your application on the Eastern Cherokee Roll of 1851. It is necessary that you give their English names, and, if possible, the names under which they were enrolled in 1851. Spell carefully a-gain their Indian names. Who were enrolled with them in 1851?

Do you claim Cherokee blood both through your father and your mother; if so, give the names of your grandparents on both sides. Were they enrolled with the Eastern Cherokees in 1851; if so, give the names under which they were enrolled.

Were any of your people Old Settlers and did they ever share in any Old Settler payment?

Please give this matter prompt attention and refer in your reply to the number of your application.
